0233935579 ; ISBN-13. 978-0233935579 ; Published by. H.M.S.O. [and London] Categories The fire service drill book is another one of the materials published by the fire service. The fire service has similar amounts of people, equipment, and financial resources in comparison to the law enforcement community. It does not differ in size or equipment in comparison to the legal communities. The fire service is a service that saves lives and property, and their chief intent is to help citizens. The firefighter does have more freedom of speech in comparison to the police. A search warrant or order is issued with a magistrate's signature. The warrant is allowed to be signed by a judge, so a fire investigator may perform a search warrant. The law enforcement personnel have very different skills than the firefighter. The head of the fire service is the fire chief. In the fire service, the only negative job that exists is firefighter/paramedic, and all other positions are considered positive jobs. Firefighting is one of the jobs that is considered a firefighter. All other jobs are considered positive jobs. The fire service runs through an organization that is called the department of fire and emergency medical services. The department of fire and emergency medical services makes the policy decisions. The department of fire and emergency medical services holds the authority to make the orders for training and equipment. The department of fire and emergency medical services keeps the standards of the organization. If you are a member of the department of fire and emergency medical services, you are a member of the organization, and you follow the organization's rules. The department of fire and emergency medical services has an administration office. The administration office works for the department of fire and emergency medical services. The department of fire and emergency medical services can hire and fire its employees. The administration office holds responsibility for the budget and operations of the department of fire and emergency medical services. The administration office can change the rules of the department of fire and emergency medical services. The administration office can be paid by the department of fire and emergency medical services or by the state. The department of fire and emergency medical services can be paid by the city or the state 82157476af
